Dear Mr. Bohmer:

Re: Audit of Planning and Practices NRFL A66762

In the commentary of the report *Audit of Forest Planning and Practices – Burns Lake Specialty Wood Ltd. Non-Replaceable Forest Licence A66762*, the Board requested an update on the progress made regarding the outstanding abatement obligations and the reporting of the required information for current and past abatement activities to government, by January 31, 2015.

The Board received your staff's email responses, dated March 11 and 27, 2015. Board staff has assessed this information, noting that BLSW has completed all outstanding abatement and reporting obligations.

The Board is pleased to see your abatement and reporting obligations are now up to date and considers this file closed.

Thank you again for your continued support throughout the audit.

Yours sincerely,
